

OBJECTIF: organize a visual map on the Arctic issues.**Step 1 - Collect**

- 1 - Collect in your copy book all the economic, environmental, political or military issues concerning the Arctic (you can make lists of the important things you want to draw).
- 2 - Have a look to the cartoons that we've already studied, to inspire you.
- 3 - Listen again to the audio document we've worked and read your notes and our collective answers: Euradio, *Europe in a soundbite*, June 10th, 2022, 4'52. https://euradio.fr/emission/2jL_K-ideas-on-europe/KAzg-can-the-eu-please-everyone-in-climate-politics-ideas-on-europe.

Step 2 - Draw

- 4 - Watch the video document explaining how to create a visual map: <https://www.lipe-europe.eu/document/la-carte-visuelle-ou-visual-map/3'58>.
- 5 - Create an accurate drawing for each idea you want to represent: adapt types of figures, choose right colors, use some words, notions, make links between them.
